Desktop Basketball
Setup Instructions

Setup your DataPath basketball set in 3 easy steps:

1.   Insert "fan" background board into the slot on the baseline

2.   Insert the pre-assembled basketball goal into the circle

3.   Play ball

Now you can take your A-game to your coworkers, kids, or spouse. Earn bragging rights with a game of HORSE and show off your trick shot skills. Or play the role of big hero as you relive the thrill of your favorite "March Madness" moment!

Enjoy your basketball gift set, and score big with DataPath!
